

Annual Health and Medical Record

(Valid for 12 calendar months)

Medical Information

The Boy Scouts of America recommends that all youth and adult members have annual medical evaluations by a certified and licensed health-care provider. In an effort to provide better care to those who may become ill or injured and to provide youth members and adult leaders a better understanding of their own physical capabilities, the Boy Scouts of America has established minimum standards for providing medical information prior to participating in various activities. Those standards are offered below in one three-part medical form. Note that unit leaders must always protect the privacy of unit participants by protecting their medical information.

Parts A and C are to be completed annually **by all BSA unit members**. Both parts are required for all events that do not exceed 72 consecutive hours, where the level of activity is similar to that normally expended at home or at school, such as day camp, day hikes, swimming parties, or an overnight camp, and where medical care is readily available. Medical information required includes a current health history and list of medications. Part C also includes the parental informed consent and hold harmless/release agreement (with an area for notarization if required by your state) as well as a talent release statement. Adult unit leaders should review participants' health histories and become knowledgeable about the medical needs of the youth members in their unit. This form is to be filled out by participants and parents or guardians and kept on file for easy reference.

Part B is required with parts A and C for any event that exceeds 72 consecutive hours, or when the nature of the activity is strenuous and demanding, such as a high-adventure trek. Service projects or work weekends may also fit this description. It is to be completed and signed by a certified and licensed health-care provider—physician (MD, DO), nurse practitioner, or physician's assistant as appropriate for your state. The level of activity ranges from what is normally expended at home or at school to strenuous activity such as hiking and backpacking. Other examples include tour camping, jamborees, and Wood Badge training courses. It is important to note that the height/weight limits must be strictly adhered to if the event will take the unit beyond a radius wherein emergency evacuation is more than 30 minutes by ground transportation, such as backpacking trips, high-adventure activities, and conservation projects in remote areas.

Risk Factors

Based on the vast experience of the medical community, the BSA has identified that the following risk factors may define your participation in various outdoor adventures.

- Excessive body weight
- Heart disease
- Hypertension (high blood pressure)
- Diabetes
- Seizures
- Lack of appropriate immunizations
- Asthma
- Sleep disorders
- Allergies/anaphylaxis
- Muscular/skeletal injuries
- Psychiatric/psychological and emotional difficulties

For more information on medical risk factors, visit Scouting Safely on www.scouting.org.

Prescriptions

The taking of prescription medication is the responsibility of the individual taking the medication and/or that individual's parent or guardian. A leader, after obtaining all the necessary information, can agree to accept the responsibility of making sure a youth takes the necessary medication at the appropriate time, but BSA does not mandate or necessarily encourage the leader to do so. Also, if state laws are more limiting, they must be followed.

Cub Scout Pack 262 Volunteer Preference Form

On behalf of the pack leadership team, we welcome all new and returning scouts and their families to Cub Scout Pack 262! We hope to make this scouting year a fun, exciting and rewarding experience for the boys. To that end, we need the help of parent volunteers to make it happen. Nearly all other youth-oriented organizations (baseball, basketball, soccer for example) require parent participation and Cub Scouting is no exception. We need parents to volunteer a few hours of their time every year to help deliver a quality program to their kids. If everybody does a little, we can achieve a lot.

Directions: Each family must complete a volunteer preference form annually. Any scout application submitted without a completed Volunteer Preference Form will not be accepted. Please indicate your volunteer choice(s) from either the list of pack leadership committee positions (select 1) or event committee positions (select 2 or more in order of preference). If you have any questions email them to volunteer@cubpack262.com.

Pack Committee Positions - Select 1 position from the list below that you wish to volunteer for or the position you currently occupy.		
___ Committee Chair ___ Pack Rep. to Chartered Org. ___ Cubmaster ___ Assist. Cubmaster	___ Treasurer ___ Membership Chair ___ Pack Recruiter ___ Advancement Chair	___ Awards Purchase ___ Outdoor Chair ___ Quartermaster ___ Webmaster
___ Den Leader ___ Assist. Den Leader ___ Pack Trainer ___ Committee Member at Large		

-OR-

Event Committees – Select 2 positions in order of preference from the list below. Indicated your preference by entering a “1” or “2” in the space provided.
